NOW UNDER CONSTRUCTION, THE ULTIMATE IN LUXURY GARAGE CONDOMINIUMS AND THE PERFECT PLACE TO PROTECT AND ENJOY YOUR AUTOMOTIVE INVESTMENTS.

Gasparilla Hideaway Luxury Garage Condos provides a safe, secure, monitored garage for your business, car, boat, motorcycle collection, and RV. Not only a place for storage but a community of other like-minded hobbyists with a courtyard and convenient access to Boca Grande and the islands. Additionally, we all know it's not a matter of if, but a matter of when, the next big storm could hit the Barrier Islands of Gulf Coast of Florida. Gasparilla Hideaway offers an alternative to transporting your valuables to safe shelter. These stunning units are impeccably designed by local legend and architect T.A. Krebs LLC and are beautifully constructed from concrete and steel, with 20' ceilings, 12 x 14-foot remote overhead door, and private ADA bath. Customize your space to suit your needs by including an optional front office and loft and/or combine units to gain even more space. Each condominium additionally offers private parking and plenty of space to maneuver a trailer or fifth-wheel – a true rarity in this market. You're only limited by your imagination. Why rent when you can own an appreciating asset that doubles as useful storage for your personal items or business. Call today to inquire about all the upgrades and options available.
